HEART TO HEART ACTIVITIES

Heart to Heart Ambassadors

75 active ambassadors

Volunteers offered 936 ACHA patients and family members personalized information and support.

Lifelong Care Awareness

Heart to Heart Ambassadors and ACHA staff presented on the importance of lifelong cardiac care at 23 programs across the country.

ACHA Webinar Program

Nearly 800 ACHA members attended 15 different webinars in 2017.

Archived webinars had more than 7,500 views in 2017.

Topics included management of coarctation of the aorta and bicuspid aortic valve in the adult; diagnosis in adulthood; anticoagulation in adult congenital heart disease (ACHD); and surviving the emergency department with ACHD.

Congenital Heart Walk

More than 18,000 walkers raised almost \$2 million in 32 communities across the country to support the missions of ACHA and The Children's Heart Foundation.

Online Community

Facebook membership increased by 23%, totaling 13,561.

ACHA website pageviews increased by 7%, totaling nearly 475,000.

ACHA website users increased by 16%, totaling more than 188,308.

MEDICAL PROFESSIONAL PROGRAMS

The ACHA Actelion Fellowship Program

Awarded a two-year adult congenital heart disease (ACHD) medical training fellowship to Knight Cardiovascular Institute at the Oregon Health and Science University.

The ACHA ACHD Accreditation Program

On September 14, ACHA announced the launch of the ACHA ACHD Accreditation Program nationally.

At the end of 2017, ACHA had 16 sites fully accredited with 16 different sites engaged in the process (different stages).

ADVOCACY ACTIVITIES

Congenital Heart Legislative Conference

Hosted by ACHA, The Children's Heart Foundation and the Pediatric Congenital Heart Association, this annual event brought together patients, family members, medical professionals, and supporters from across the country to connect with more than 135 legislative offices.

168 Advocates from 26 states, including Washington, D.C., gathered in our nation's capital on March 1-2 to talk to their lawmakers about congenital heart disease.
