

## **Director, Pediatric Cardiac Intensive Care – Cohen Children’s Heart Center, Northwell Health– NYC Suburbs**

The Department of Pediatrics at the Steven and Alexandra **Cohen Children’s Medical Center** of New York, Northwell Health, is seeking an experienced clinician to join The Cohen Children’s Heart Center as the **Director of Pediatric Cardiac Intensive Care**. The Ideal Candidate would be BC/BE in both Pediatric Critical Care Medicine and Pediatric Cardiology and have at least 5 years of post-fellowship experience in cardiac critical care. Candidates with boards in only one specialty, but extensive cardiac critical care experience, will also be considered. A passion for program building, and a desire to work and partner with multi-disciplinary team members is a must. Active interest and experience in research and/or quality is highly desirable.

**The Cohen Children’s Heart Center** sits across the Department of Pediatrics of Northwell Health. Under the leadership of the System Chiefs of Pediatric Cardiothoracic Surgery, Dr. David B. Meyer, and Pediatric Cardiology, Dr. Jeffrey Gossett, The Heart Center functions as a highly collaborative, multi-disciplinary team focused on clinical and academic excellence. The institution is committed to a physically distinct, dedicated, pediatric cardiac intensive care unit that will add to CCMC’s current 37 bed PICU. We are the largest volume PICU referral center in the region, admitting more than 2600 critically ill children annually with well-established excellence in many programs including Cardiac Surgery, Interventional Cardiology, Non-invasive Cardiac imaging, ECMO and many others. The NICU at CCMC is a 57 bed level IV referral center admitting over 1700 patients annually with 9 referring NICUs in the Northwell system and an additional 2 non-Northwell NICUs that we support through the New York State Regional Perinatal Center program. The institution performs more than 200 cardiac surgical procedures annually with more than 20 cardiologists helping to assure outstanding outcomes, and with a strong commitment to further growth.

**The Director of Pediatric Cardiac Critical Care** will lead all aspects of building and developing the new CICU space and team, expanding the critical care services within the children’s hospital. The CICU is staffed by a dedicated team of Pediatric Intensivists, Neonatal Intensivists, Cardiologists, Cardiac Surgeons, and advanced care providers. Recruitment of additional team members is anticipated in the near term, as well as inception of Mechanical Circulatory Support and Cardiac Transplantation services. Depending on the candidate’s interests and needs they will have the opportunity for other divisional activities and report to the appropriate division director for those activities.

**The Steven and Alexandra Cohen Children’s Medical Center** is rated by *US News* as the best children’s hospital in New York State and one of the five best in the mid-Atlantic region. It is the largest pediatric teaching hospital in the New York metropolitan region, with more than 13,000 admissions per year and a catchment area of over 8 million people. It is the sole tertiary pediatric medical center of the 23-hospital Northwell Health system, formally the North Shore-Long Island Jewish Health System and has the only Level-1 Pediatric Trauma Center and ECMO Center on Long Island.

**Cohen Children’s Medical Center** is the only children's hospital on Long Island that offers comprehensive pediatric/congenital cardiology and cardiac surgery care from pregnancy through infancy, childhood, adolescence, and adulthood for congenital heart disease. It is located in the New York City suburbs bordering one of the most diverse communities in New York City. Team members and their families live throughout the entire New York Metro area including on Long Island, Westchester and in Manhattan. **The Cohen Children’s Heart Center** provides more than 14,000 inpatient and outpatient visits annually. With one of the highest volume programs in New York State, the Division of Pediatric Cardiology has a long and well-recognized tradition of providing exceptional cardiovascular care throughout the region.

We offer a competitive salary and benefits package. In addition, an academic appointment with The Donald and Barbara Zucker School of Medicine at Hofstra/Northwell is commensurate with credentials and experience. Physicians will be employed as members of Northwell Physician Partners, the seventh largest medical group in the country.
