Performance and Quality Review Meeting between PAH Program and ACHD Program

Date Effective: MM/DD/YYYY

Type of Policy: Please indicate if this document is hospital policy or ACHD program policy/clinical guideline.

Purpose

To establish regular Quality Assessment/Quality Improvement (QA/QI) meetings between the Pulmonary Arterial Hypertension (PAH) program and ACHD program.

Policy Statement

State that the PAH program meets with the ACHD program at least once per year to review performance and quality.

Procedures

Include the frequency, structure, and typical attendees of these meetings. Please note in order to meet the criteria, the PAH program must meet with the ACHD program at least once per year to review performance and quality.
