State of Accreditation: ACHA Program Accreditation Improving Care for Patients Across the United States

Wednesday, September 20, 2023
7 p.m. – 8 p.m. EDT
Presenter: Curt Daniels, MD

About the Webinar:
Are you aware of the why ACHA started the Adult Congenital Heart Disease (ACHD) Accreditation Program? This webinar will review this topic, as well as the history of ACHD care in the United States. The current state of accreditation and the future direction will also be discussed. You do not want to miss this webinar.

About the Presenter:
Curt Daniels, MD, is dedicated to volunteering to improve care for those with congenital heart disease by expanding access and delivery of high quality ACHD care in the United States. He has served as Chair of the ABIM ACHD Subspecialty Board, Chair of the ACHA Medical Advisory Board, President of the International Society for ACHD, and Chair for ACHA Program Accreditation. Dr. Daniels is committed to education and ACHD fellowship training and developed the ACHD Fellowship program at OSU and NCH and trained fellows over the past 20 years.

Dr. Daniels is a Professor of Internal Medicine and Pediatrics in the Division of Cardiology at The Ohio State University and the Division of Pediatric Cardiology at Nationwide Children’s Hospital. Dr. Daniels is the Dottie Dohan Shepard Endowed Professor in Cardiovascular Medicine. He is the Director of the Columbus Ohio Adult Congenital Heart Disease Program and is board certified in pediatric cardiology, internal medicine cardiology and adult congenital heart disease.

About the Adult Congenital Heart Association
The Adult Congenital Heart Association (ACHA) is a national not-for-profit organization dedicated to supporting individuals and families living with congenital heart disease and advancing the care and treatment available to our community. ACHA empowers the more than nearly 2 million adults with CHD, their families, and the medical community by advancing access to resources and specialized care that improve patient-centered outcomes. For more information about ACHA, contact (888) 921-ACHA or visit www.achaheart.org.
