

An Overview of Coarctation of the Aorta

Wednesday, September 27, 2023

7 p.m. – 8 p.m. EDT

Presenter: Jennifer Gerardin, MD

About the Webinar:

Are you an adult who has been diagnosed with coarctation of the aorta? If so, this is a webinar you don't want to miss. Dr. Jennifer Gerardin will review how patients present with coarctation in both childhood and adulthood. She will also talk about treatment and go over the current recommendations on long-term follow-up. Pregnancy recommendations will also be discussed.

About the Presenter:

Jennifer Gerardin, MD, is an adult congenital cardiologist at Children's Wisconsin and Medical College of Wisconsin. She completed her Internal Medicine and Pediatrics residency and then went on to finish a pediatric cardiology fellowship at the University of Minnesota and an adult congenital heart disease fellowship at Emory University. Dr. Gerardin did additional training in advanced cardiac imaging during her ACHD fellowship at Emory University.

About the Adult Congenital Heart Association

The Adult Congenital Heart Association (ACHA) is a national not-for-profit organization dedicated to **supporting individuals and families living with congenital heart disease and advancing the care and treatment available to our community.** ACHA empowers the more than nearly 2 million adults with CHD, their families, and the medical community by advancing access to resources and specialized care that improve patient-centered outcomes. For more information about ACHA, contact (888) 921-ACHA or visit www.achaheart.org.
