

Phoenix Children's

Title: Adult Congenital Heart Disease (ACHD) Cardiologist Opportunity at Phoenix Children's

Introduction: Join our dynamic team at Phoenix Children's and make a difference in the lives of ACHD patients. We are seeking a dedicated and passionate ACHD cardiologist to add to our growing program.

Responsibilities:

- Provide high-quality outpatient and inpatient care to ACHD patients.
- Collaborate with multidisciplinary teams to develop individualized treatment plans.
- Engage in teaching medical students, residents, pediatric cardiology and adult cardiovascular disease fellows.
- Contribute to research initiatives.
- Participate in statewide and nationwide ACHD advocacy efforts.

Facility and Program Information: Phoenix Children's Center for Heart Care houses the largest ACHD program in Arizona and the state's only ACHA Accredited Comprehensive Care Center. Our program boasts 24 cardiologists, 13 cardiac intensivists, 3 cardiovascular surgeons, and 24 advanced practice providers. We offer ambulatory cardiac services across the Phoenix metropolitan area and have outreach clinics in greater Arizona. Phoenix Children's is one of the nation's largest pediatric health systems and a premier destination for pediatric care in the Southwest. Inpatient ACHD care takes place at Phoenix Children's and at our adult partner hospital, Dignity-St. Joseph's Hospital and Medical Center, a large academic medical center that includes the world-renowned Norton Thoracic and Barrow Neurologic Institutes. The successful candidate will play a pivotal role working alongside the Heart Center teams at both institutions.

Community Information: Phoenix is the 5th largest city in the United States, known for its year-round temperate climate and abundant sunshine. With access to ocean and mountain attractions, it's consistently ranked among the Best Places to live in the United States.

Qualifications:

- M.D. or equivalent degree.
- Board certified/eligible in Pediatric Cardiology by the American Board of Pediatrics.
- Board certified/eligible in Adult Congenital Heart Disease by the American Board of Internal Medicine.
- Eligible for medical licensure in the State of Arizona.

Affiliation and Academic Appointments: Phoenix Children's Hospital is affiliated with the University of Arizona College of Medicine-Phoenix. ACHD cardiologists will hold academic appointments within the divisions of Child Health and Internal Medicine.

At Phoenix Children's, our commitment to excellence extends beyond clinical care to include education, research, and advocacy. Join our supportive and collaborative team where healthcare professionals can thrive and make a meaningful impact on the lives of patients and families.

This position offers competitive compensation, excellent benefits, including employer retirement contribution, generous vacation/meeting time, CME funds, health and dental benefits, disability, and life insurance.
