

The Adult Congenital Heart Association's

Walk 
for 1 in 100®

2025

Sponsorship Packet

WHY WE WALK

Join us as we walk for the more than 2.5 million people living with congenital heart disease (CHD) across the country.

The Adult Congenital Heart Association (ACHA) has been the trusted partner of those living in the U.S. with CHD for 25+ years, bringing together patients, family members, and medical professionals to create a community and support network.

We work to empower the growing CHD population by advancing access to critical resources and specialized care that improve patient-centered outcomes.

ACHA offers programs and services to adults with CHD, their families, and medical providers.

Our comprehensive ACHD Clinic Directory to find specialized care.

Other resources, such as educational webinars and an individual peer support program.

ACHA ACHD Accreditation to advance and standardize the quality of care for ACHD.

Funding research to advance the science of CHD in adults.

...and more!

We host Walk for 1 in 100 events across the country to build awareness for a patient population that often goes unnoticed and to raise money for continued research, education, and outreach for the CHD community. We invite you to help us further our impact in your local community by supporting Walk for 1 in 100.

Visit achaheart.org to learn more about our work.
Email events@achaheart.org for more information.

The logo features the word "Walk" in teal, "for 1 in" in dark purple, and "100" in red. To the right is a stylized icon of two people walking, one in purple and one in red. A registered trademark symbol (®) is located to the upper right of the "100".
