
ADULT CONGENITAL HEART DISEASE (ACHD) CARDIOLOGIST
Full-time Opening in Los Angeles, California
PSLF Eligible

Southern California Permanente Medical Group (SCPMG) is actively recruiting an Adult Congenital Heart Disease Cardiologist to join our **Kaiser Permanente** team.

We are currently seeking a full-time Adult Congenital Heart Disease (ACHD) Cardiologist with Adult training who is BC/BE in both adult cardiology and ACHD. Scope of practice includes adult cardiology, ACHD, echocardiography, and invasive procedures such as pericardiocentesis and balloon pump placement.

At SCPMG, you'll enjoy the amazing recreational activities, spectacular natural scenery, and exceptional climate our area is known for, along with stability in today's rapidly changing health care environment.

SCPMG is proud to offer its physicians:

- An organization that serves the 4.9 million Kaiser Permanente members throughout Southern California for more than 70 years
- Excellent salary, comprehensive benefits, and partnership eligibility after 3 years
- Comprehensive administrative support
- A fully integrated electronic medical record system (EPIC) and AI technology support for clinical documentation

For consideration or to apply, please visit our website at <https://southerncalifornia.permanente.org/jobs/type/cardiology>.

For questions or additional information, please contact **Nicole Young at 877-608-0044** or Nicole.X1.Young@kp.org. We are an AAP/EEO employer.

Salary range for full-time/part-time openings is \$452,575.00 - \$605,247.00. Potential premium earnings are up to \$70,200.00. Salaries are inclusive of incentives depending on skills and competencies and geographic location. Potential premium earnings are based on location. Annual Salary is determined by longevity with the Group and full time equivalent (FTE) work schedule/effort.
